Transferred \$52,400 of general funds within the Office of the Governor. This is a one-time transfer from personal services to operating expenses. This transfer will be used to make upgrades and capital purchases related to communications technology. The availability of unused personal services is the result of the change in administration and the new administration's compensation at a reduced level.

Accounting transaction detail can be queried from the central accounting system by LRC staff. A record of this transfer and its authorization is available for public inspection in the Bureau of Finance and Management.
